

Public & Section 8 New Construction Income Guidelines

The Public Housing Department is involved in the direct management and operation of HUD Conventional Low Income Housing, Section 8 New Construction, and the Tax Credit Affordable Housing program.

These housing programs require the applicant to move to one of the designated Housing Authority Housing Complexes. There is a separate waiting list for each complex along with different Eligibility and Income Requirements that you must meet. Rent is based on 30% of the family's adjusted gross income.
